

**Now Available
The Hive Mobile App**

To provide the best service to you, we are excited to announce the availability of [The Hive](#) mobile app. Now you can access your favorite Building Engines capabilities anywhere, anytime. The Hive replaces Building Engines' earlier TenHub app and adds new capabilities.

With The Hive app on your smartphone, you can:

- Receive on-the-go broadcast messages from your building manager
- Save time and request service from any mobile device
- Attach pictures to service requests with "Issue Snap"
- Follow the progress of work orders in real time
- Rate your satisfaction
- Register visitors
- Download building documents

The Hive is available for Apple and Android devices and can be downloaded from [iTunes](#) and [Google PlayStore](#).

Use your Building Engines username and password to log into the TenHub app. Learn more about The Hive at www.buildingengines.com/download-the-hive.
